

K2® **SKATES**
FALL/WINTER 2022-2023

YOUTH SERIES

Our Youth series consists of five durable, performance recreational skates, all of which are designed with a five-size adjustable system, assuring that our skates grow with your child's foot. Our Youth skates also feature the comfort of the Original SoftBoot® design, pre-sharpened, stainless-steel blades and three easy-to-use closure systems which empower kids to lace up on their own, at any age. Instill a love of skating at a young age and savor the memories you make on the ice!

Raider Beam

The Raider Beam is certain to cause excitement on rinks and ponds this season! A brand-new Youth series skate, the Raider Beam brings the fun with blue LED lights in the toe and tongue for a one-of-a-kind ice skating experience! The battery-operated lights are activated by a button on the tongue and feature three flash patterns – solid, fast flashing and slow flashing. Lights aside, the Raider Beam is also packed with the functional features that our ice skates are known for. It starts with the Original SoftBoot® coupled with the Junior Cuff creating a comfortable yet supportive skating experience. The water repellant boots also have Thinsulate™ insulation so feet stay warm and cozy out on the ice. Certain to be a hit with the kids, get the Raider Beam and light up the ice with smiles!

- K2 SoftBoot®
- 5 Expandable Sizes
- Standard Lacing
- Junior Cuff
- Thinsulate™
- Water-repellent
- Stainless Steel Blade
- Beam Lights, Blue

NEW Raider Ice

A performance recreational skate for kids that is loaded with functional features to help them stay stable and comfortable on the ice. Featuring an integrated blade mount that lowers a young skater's center of gravity, the Raider Ice makes it much easier for young skaters to stay balanced. With the cushy fit and feel of the Original SoftBoot® and the support of the Junior Cuff, the Raider Ice strikes the balance of comfort and performance. Also an excellent value, the Raider Ice is adjustable up to five sizes so it grows with your child, eliminating the need to buy new skates every year.

- K2 SoftBoot®
- 5 Expandable Sizes
- Speed Lacing System
- Junior Cuff
- Water-repellent
- Stainless Steel Blade

NEW Marlee Ice

A performance recreational skate for kids that is loaded with functional features to help them stay stable and comfortable on the ice. Featuring an integrated blade mount that lowers a young skater's center of gravity, the Marlee Ice makes it much easier for young skaters to stay balanced. With the cushy fit and feel of the Original SoftBoot® and the support of the Junior Cuff, the Marlee Ice strikes the balance of comfort and performance. Also an excellent value, the Marlee Ice is adjustable up to five sizes so it grows with your child, eliminating the need to buy new skates every year.

Marlee Beam

The Marlee Beam is certain to cause excitement on rinks and ponds this season! A brand new Youth series skate, the Marlee Beam brings the fun with red LED lights in the toe and tongue for a one-of-a-kind ice skating experience! The battery-operated lights are activated by a button on the tongue and feature two flash patterns – solid, fast flashing and slow flashing. Lights aside, the Marlee Beam is also packed with the functional features that our ice skates are known for. It starts with the Original SoftBoot® coupled with the Junior Cuff creating a comfortable yet supportive skating experience. The water repellant boots also have Thinsulate™ insulation so feet stay warm and cozy out on the ice. Certain to be a hit with the kids, get the Marlee Beam and light up the ice with smiles!

NEW Rink Raven BOA®

The peak performer of our youth recreational ice skates and highlighted by the BOA® Fit System, the Rink Raven BOA® makes it easy to dial in a fast, effortless precision fit while also making entry and exit a breeze. Featuring an integrated blade mount that lowers a young skaters center of gravity, the Rink Raven BOA® makes it easier to maintain balance while skating. It also feature the K2 Original SoftBoot® with a brushed liner and water repellent materials keeping feet warm, dry and comfortable. Last, but far from least, the Rink Raven BOA® also features five sizes of adjustability, meaning the skate grows with your child's feet.

WOMEN'S ALEXIS SERIES

The Alexis series is our line of performance recreational ice skates for women boasting five different models loaded with technology and functional features for a fun and comfortable experience on the ice. With all styles being based around the tried-and-true K2 Original SoftBoot® technology backed up by the supportive Stability Plus Cuff, the Alexis series leads the way when it comes to comfortable and supportive skates. Other highlights of the series include styles featuring the BOA® Fit System for a fast, effortless precision fit, Thinsulate™ insulation for cozy skating, 2 figure blade configurations and all with stainless-steel pre-sharpened blades. Whether you are new to the skate scene or have years of experience on the ice, K2 has the skates you need to make the most out of this season.

NEW Alexis Ice BOA® Figure Blade

Experience grace and style on the ice with the Alexis Ice BOA® Figure Blade! This skate takes all of the tech and features of our premium Alexis Ice BOA® but swaps the standard blade for a figure blade. While all our skates feature the legendary comfort of K2's Original SoftBoot® design, the Alexis Ice BOA® Figure Blade has the added benefit of BOA® Fit System technology for a fast, effortless precision fit and on-the-fly adjustability. The boot is also kitted out with a Thinsulate™ liner and water repellent materials to keep your feet toasty and dry during those long skate sessions. The Stability Plus Cuff compliments the SoftBoot design bringing confidence-inspiring support and stability, while the injection locked pre-sharpened, stainless steel blade keeps you performing at your peak on the ice!

MEN'S F.I.T. SERIES

With three distinct styles offering the latest in ice skate technology and the functional features long associated with K2 Skates, our F.I.T. Ice series offers our performance driven recreational ice skates for men. All styles are equipped with the legendary fit and comfort of our Original SoftBoot®, support from the Stability Plus Cuff and injection locked, pre-sharpened stainless steel blades, making the F.I.T. Ice series the go-to alternative to traditional hockey skates. Additional highlights include styles featuring the BOA® Fit System for a truly dialed-in fit and Thinsulate™ insulation for warmth during long sessions on the ice. Whether you're new to skating or seasoned veteran of the local rink, K2 Skates has what you need to enjoy your time on the ice this season.
