PRODUCT WORKBOOK

YOUTH

We believe that getting kids active in the outdoors is key to a healthy well-balanced life. Our youth skates provide the perfect opportunity for them to get some fresh air, spend time with family and friends and above all, have fun! With a completely updated youth collection highlighted by bright colors, exciting patterns and the NEW light-up Raider & Marlee Beam this summer is certain to be full of memories.

FITNESS

Time to break a sweat! Whether you are a casual fitness enthusiast or a workout junkie there's a skate for you in our Fitness category. The 80mm series provides a more controlled experience for the new or casual skater. When it's time to level up, our 84mm+ series brings the speed and smooth roll needed for those longer sessions. With new colors and styling across all models and an all-new engineered mesh on the 84mm+ skates the heat is on this summer!

LIFESTYLE

Whether it's commuting to work, running errands, meeting up with friends or just exploring the city, if there is pavement, we know skates are how you want to travel. For those looking for a modern do-it-all skate, the Lifestyle category features the most versatile in our line. With the stout and stylish Uptown and the Trio series featuring the NEW Trio 100 BOA our Lifestyle skates give you the options to make it your own and skate your way.

MARATHON

Gain that crucial edge on the competition with our highest performing skate category. We know when it comes to marathon skating it's all about one thing...speed. These premium, race-ready skates combine lightweight materials with massive wheels and ILQ-9 PRO bearings to create some extraordinarily fast skates. The MOD 110 received an update this season highlighted by a new ventilated microfiber upper and sleek aesthetic detailing for a high-velocity look. Enjoy the ride.

HELMETS & PADS

Skate safe with our helmets and pad sets. Designed to fit both kids and adults, our helmets are equipped with a micro-adjustable fit, hard shell protection, and additional bicycle safety certification. New this season we have fresh colors on the Varsity and Varsity Pro as well as the addition of a Varsity Mips featuring Mips Evolve technology. Our pad sets featured a wide range of benefits including comfortable moisture wicking materials for comfort, durable plastic caps for protection and reflective badges for visibility.
